

AI CAREER ROADMAP

3 MONTHS

CURRENT POSITION & TARGET GOAL

Current Student	Target Tech Internship
--------------------	---------------------------

SKILL GAP ANALYSIS

Skill	Status	Action Needed
Python	✓ Strong	Advanced libs: Pandas, NumPy
Web Development	✓ Moderate	Add React / REST API knowledge
Data Analysis	✓ Basic	Deepen: SQL, Tableau/Power BI
Machine Learning	✗ Missing	Scikit-learn, model deployment
Git & GitHub	✗ Missing	Version control is mandatory
System Design Basics	✗ Missing	Needed for tech interviews

RECOMMENDED LEARNING PLAN

Timeline	Topic	Resource
Week 1-2	Git/GitHub + Python OOP	freeCodeCamp, CS50P
Week 3-4	Pandas, NumPy, EDA	Kaggle Learn
Week 5-6	SQL + basic ML (Scikit-learn)	Mode Analytics, Kaggle
Week 7-8	React basics + REST APIs	Scrimba, FastAPI docs
Week 9-10	Build & deploy 2 projects	Render / Vercel / HF
Week 11-12	Interview prep + applications	LeetCode Easy, Glassdoor

SUGGESTED PROJECTS

■ EDA Dashboard Analyze public dataset (COVID/Finance). Visualize with Plotly.
■ ML Price Predictor Predict house/stock prices. Deploy on Streamlit or HuggingFace.
■ Full-Stack Portfolio React front-end + FastAPI back-end. Host on GitHub Pages.

NETWORKING STRATEGY

LinkedIn Optimize profile: headline = 'CS Student Python Web Dev'. Post 2x/week.
GitHub Publish all 3 projects. Maintain green contribution graph.
Twitter/X Follow tech recruiters & engineers. Engage with #100DaysOfCode.
Cold DMs Message 5 alumni/engineers/week. Ask for 15-min coffee chat.
Hackathons Join 1 hackathon/month (Devpost, MLH). Add to resume.

MONTHLY MILESTONES

Month 1 ✓ Complete Git, Python OOP & SQL ✓ Start Kaggle EDA project ✓ Optimize LinkedIn + GitHub
Month 2 ✓ Finish ML project (deployed) ✓ Build React portfolio site ✓ Apply to 10+ internships
Month 3 ✓ Complete 50 LeetCode Easys ✓ Attend 1 hackathon ✓ Land 2+ interviews

IMMEDIATE NEXT ACTIONS (This Week)

1	Create GitHub account & push a Python project today
2	Install VS Code + set up virtual environments
3	Enroll: CS50P (free Harvard Python course)
4	Update LinkedIn headline & add skills section
5	Bookmark 5 internship postings to track
